Subject:- **Extension in construction period in respect of residential/commercial plots in various Urban Estates of PUDA for the year 2007.**

Ref This office letter No. PUDA-Policy-UE1-2005/1692-1703 dated 28.6.06.

The issue with regard to allowing further extension in case of allotments beyond 31.12.06 to those allottees who have already availed period of 8 years for construction as provided under rules, has been considered and it has been decided that any further extension in time for construction beyond 31.12.06 will only lead to speculation in real estate, as such no more extension in time for construction be allowed. You are requested to take further necessary action.
